Person's of interest

Rand Boyd
Pasadena, or Deer Park
TX.

Last known living with
Veronica Russell. I think

Spent a week with them
in October 2015. Veronica
a widower of retired
military veteran.

Completely in the dark
of any of Randy's
activities. The whole
week I was there
she seemed scared for
death of Randy,
who order's her around
like his maid.

Jeff LeVine

Intresal Care Client
2011 - 2016, one of
his case workers
meagan. This is a
dangerous man, with
all knowledge of computer
science, and a ex-nurse
practioner. He use's
all his knowledge to
post young ladies
on prostitution sites
such as ECCI. one
of his clients Jessica
Ann Perry (From Tennessee)
AKA TAYLOR of Austin.
And instructing people
how to get high on
pharmacodicals, and
elict Drugs. Jessica
would inform me of
all those things

several months later
after we became friends
after she ~~at~~ over dosed
at my apartment visitias
some one she knew.
We did not know
each other and had
no repore at that
time. When I informed
her Jett was tracking
her on he Email, Facebook,
and ECCI, insisting
they would make lot's
of money, it Freaked
her out, and she
changed her PASS
WORDS.

~~Jett~~ Jett's last known

The plaintiff was born
in 1963 Houston, TX.
In 1996 I moved to
Crockett, TX and worked
at a then being constructed
TRCO Bell. In 1998 I
moved to Austin in hope
of being employed in
the Austin tech community.
Became employed at Stake-
Tek Corp. Then Volt Temp.
In 1999 became a Stake-Tek
employee until the company
laid off my shift, second
shift. February 2002.
Before leaving Stake-Tek
I reached out to them for
help, that I had relapsed
with substance use, after
approximately six years
a non-user. started my
treatment with my
General Practitioner

Rom Mansolo m.h. Cedar
Park. ^{TX} After Stark-Tek
laid off discontinued
with no insurance. Also
would be evicted from
Martha Vineyard Apt.
Austin, Tx off San Felipe.
I would be a substance user
for the next 3 years and
homeless living out off
motels til I ran out of
money and was told to go
to the Salvation Army.
Got clean immediately, but
would only be able to
obtain menial job's
until deemed disable
in January 2016.

In May 1, 2002 Austin,
Tx. I was arrested by
APD on a drug charge.
I was released in 24 hrs
on a PR Bond.

Then retained Bristol
Myers Austin, TX as
a legal advocate. On
May 13, 2002 the charges
were dropped ^{when} ~~at~~ APB
informed the Attorney
General I would not
be charged a crime. I
would find out year's
later on my criminal
background I was
a second degree felon.
Even though I never
saw a judge, prosecutor,
or had a pre-trial. To
make matter's worse I
realize now the alleged
evidence was planted on
me when an individual
charged my car and
threw it in there. only
to look in my rear view
mirror to see a squad

car behind me touching
my bumper. The officer
had to witness this.

To make matters worse
my attorney never pointed
out to me that the
evidence was planted
on me. At this time
I am enclosing all
attorney's that have
represented me.

Robertson
I think Robert ~~Robertson~~
propose attorney that
did my will. Williams

Bristol Myer's
Criminal Attorney

Father more John Hemphill
worked out of Velocity
Credit Union, handled
my brokerage out, that
transferred from
South Trust Houston,
TX

Nothing transpired
the way my father
said it was going to
when I left Houston,
in March 2001. For
example when I got
to Houston in November
2001 to learn my father
deceased. The safe
deposit Box had
already been open.
Margaret Fassy handling
my father's account
and had life long
from First City, and
other Financial Institute

would not give me
copies of accounts
and amounts, and
source of money.
Except for a two
or three thousand
dollar insurance policy
from his Electrical Union,
and a 53,000 insurance
from unknown source.
To conclude for now, I
am completely convinced
my short comings from
2001 to current were
by design all which
stem from Houston,
and perhaps my
father's unknown
Louisiana Associates.
